**Annual OSHA Training and Compliance Seminars for Dental Professionals**

This course will be a fast paced review of material OSHA requires for annual training. In addition, the most current information available on infection control procedures, infectious diseases and product reviews will also be presented. Handouts and resource information will be distributed. The seminar meets the OSHA requirement of an annual training course for all dental health care personnel.

Kim Laudenslager, R.D.H., M.P.A.

Ms. Kim Laudenslager is a former Associate Clinical Professor at the University of Colorado School of Dental Medicine and practices dental hygiene part-time. She received her A.S. from Forsyth in Boston, and her Bachelor and Master of Public Administration Health Care Management degrees from the University of Colorado. Kim is a member of the Office Sterilization & Asepsis Procedures Research Foundation (OSAP) and has served as chairperson for the CDHA Quality Assurance Consulting Committee since 1984. She served on the Colorado State Board of Dental Examiners from 1995-2002 and has traveled the United States for the past 20 years presenting OSHA seminars.

**“Ethics and Jurisprudence: the right, the wrong, the law”**

This course will cover jurisprudence and the ethical aspects of dentistry by discussing details of the Principles of Ethics, Code of Professional Conduct, laws & rules which govern ND dental professionals along with updates of the proposed duties for the dental team. This course will keep the audience interested through examples and interaction as all areas are reviewed.

Lucinda L. Hanekom, BS, CDA, RDA, CPFDA, FADAA

**Associate Professor /NDSCS Dental Assisting Program Coordinator/Instructor**

Lucinda Hanekom is a native of North Dakota growing up on a farm south of Jamestown.

She attended NDSCS; graduated from the Dental Assisting Program in 1977 and received her Bachelor of Science degree from VCSU (2007). She worked for almost 20 years as a clinical dental assistant in Fergus Falls & Breckenridge, MN. In 1997, Lucinda accepted a position at NDSCS as the Dental Assisting Supervisor/instructor & later Dental Assisting Program Coordinator. She has been at NDSCS for 17 years & completely enjoys teaching dental assisting to her wonderful students through all the years. She will retire from her current position at NDSCS at the end of July 2014.

Lucinda’s professional memberships/boards include: ADAA/NDDAA and has held officers positions since 1999 (currently holds Educator position), MNDAK Dental Study club (current president), Minnesota Educators of Dental Assisting, and the ND Dental Foundation.

Lucinda has taught ethics and jurisprudence to the dental assisting students for the 17 years at NDSCS. She has found this topic and infection control to be a couple of her favorites. Lucinda has been an infection control presenter (2004-current) as she has presented to private practices, local study groups (ND & MN) and at ND annual session.
